

# Sunbirds Sun Club

Dear friends :

Like many nudist clubs around the country, our club has developed the simple Courtesy Code on the next page to remind all our members, and especially newcomers to our club and social nudism, what they should do to keep Sunbirds safe, private and secure for everyone's benefit. It outlines our policies of conduct and behavior so that everyone can enjoy the Sunbirds. We think that every Sunbird will agree that all of the points mentioned in our Courtesy Code make good sense.

All of us want to have a club that we can all enjoy, and to know that our fellow Sunbirds follow the common-sense policies of respect and discretion we expect from all nudists. Making sure that we all know and do what's necessary to maintain the security and privacy of our members is the best way to keep Sunbirds the active, growing and fun club that it is.

All current and new Sunbirds are required to sign and return the Courtesy Code. It is a condition of your membership, and members without a signed Courtesy Code on file will be dropped from the club. Mail your signed Courtesy Code to:

**Sunbirds, PO Box 225945, Dallas, TX 75222-5945**

As always, we welcome your feedback, suggestions and help in improving and growing our club. Please feel free to e-mail any of the club officers with your comments at [feedback@sunbirds.org](mailto:feedback@sunbirds.org).

Naturally,

The Sunbirds

# Sunbirds Sun Club

## Courtesy Code

As a member of the Sunbirds, I promise to do my part to maintain the mutual trust upon which our club depends by keeping the privacy, safety and discretion of my fellow members in mind.

I will:

- not speak of my fellow nudists to a non-nudist under any circumstances. There are Sunbirds whose professional and private lives could be damaged or destroyed by the disclosure of nudism. Although we are proud of our club and of social nudism, we understand that non-nudists often have negative perceptions of our simple enjoyment.
- not give out the name, address or other personal information of a fellow nudist without their prior and specific permission. To do so is an invasion of their privacy, and a betrayal of their trust.
- not distribute or disclose, by any means, any club information such as event details, member names or the like, to non-members.
- never take photographs without the prior and specific permission of all the subjects. It is rude, always and everywhere, to take someone's photograph without their permission. I will always defer to the wishes of the Sunbirds hosts regarding the permissibility of photography while at their home.
- call the host couple ahead of time to introduce any guest visitors I will be bringing to their home, and make sure I personally introduce the visitors to our hosts and other club members.
- always behave at a Sunbirds event exactly as I would at a country club or a clothed resort. I realize that simply being unclothed does not excuse rude, inappropriate or disrespectful behavior.
- embrace social nudism. The Sunbirds strongly support family nudism, however, our Sunbirds parties are adult-oriented in the same way that a clothed cocktail party is adult-oriented. This does not imply that Sunbirds events are in any way sexual.
- help maintain a secure, wholesome atmosphere for the practice of social nudism for the enjoyment of all our members so that no one will ever feel uncomfortable or embarrassed by my actions. Sexual activity at any Sunbirds event is not welcome and is not what our club is about. We are a nudist club and not a sex club or a swinger's club. What people do in private, outside of Sunbirds events, is of course their own business, but Sunbirds members expect Sunbirds parties to be safe, fun, non-sexual social events and nothing more.
